Have children arrive in class to find a selection of different pebbles (ideally one per child). These pebbles need to be large enough for children to draw on. Explain that these pebbles are very special and it is our job to take care of them. On the dot or not: Use on the dot or not with a selection of adjectives of colour, shape and size for children to choose from to describe their pebble, bearing in mind that some may be different to others! Adjectives that could be used to describe the pebble can be positioned inside the circle, those that are not relevant can be positioned outside. Allow children to orally rehearse describing their pebble to one another using the adjectives from on the dot or not. Model using 'and' to join adjectives orally. After oral rehearsal, give children luggage tags to instantly publish a short descriptive sentence of their pebble to label it. Model using 'and' to join ideas. Show children the front cover of the book. What do you notice? How is Lubna's pebble different to our pebbles? Allow time to discuss and explore the front cover and make predictions about the story.</p> <p><b>Art</b></p> <p>Artist Focus - Kadinsky: Link to spirals on seashells/pebbles on beach by looking at the art work of Kadinsky.                                                                                                                 |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |

## Paddington Phonics and Spelling Targets

The children in PBs have been split into phonics groups according to their Little Wandle assessments. All children in this class should have additional opportunities to blend to read phase 5 words. A small group of children are taking part in the SEND phonics programme. All children will be taught two phonics lessons per day. In addition to this, some children will also take part in small group or 1:1 catch up targeted precision teaching. This will be dependent on their assessed needs.

### Group 1 - SEND group

| Phase 2       |                                                               |                  |        |         |        |          |        |

| <p><b>Week 5</b></p> <p>28.09.26-<br/>02.10.26</p> <p>Literacy<br/>Tree Week 1</p> <p>National<br/>Poetry day<br/>Friday 2nd</p> | <p>-Session 1 - Vocabulary - Compare words and choose a best fit,</p> <p>-Session 2 - Speaking and presenting - Share my thoughts and ideas through speaking to groups of people I am familiar with / listen to other children.</p> <p>-Session 3 - Social interaction - Participate in conversations about topics initiated by others, showing interest and active listening skills.</p> <p>-Session 4 - Creativity - Act out or model ideas.</p> | <p><b><u>Fiction week 1 - Lubna and Pebble</u></b></p> <p><b>WOW starter: Monday 3<sup>rd</sup> November</b><br/><b>Wow starter - Literacy</b></p> <p>Starter - Vocabulary - Compare words and choose a best fit - Children choose from a selection of adjectives of colour, shape and size to describe their pebble, using "on the dot or not". Model using "and" to join adjectives orally. See session 1 of the teaching unit. Have children arrive in class to find a selection of different pebbles (ideally one per child). These pebbles need to be large enough for children to draw on. Explain that these pebbles are very special and it is our job to take care of them. On the dot or not: Use on the dot or not with a selection of adjectives of colour, shape and size for children to choose from to describe their pebble, bearing in mind that some may be different to others! Adjectives that could be used to describe the pebble can be positioned inside the circle, those that are not relevant can be positioned outside.</p> <p>Speaking and listening focus: Use interesting and imaginative words to add style and flow to speech and writing. Allow children to orally rehearse describing their pebble to one another using the adjectives from on the dot or not. Model using 'and' to join adjectives orally. After oral rehearsal, give children luggage tags to instantly publish a short descriptive sentence of their pebble to label it. Model using 'and' to join ideas. Show children the front cover of the book. What do you notice? How is Lubna's pebble different to our pebbles? Allow time to discuss and explore the front cover and make verbal predictions about the story.</p> <p><b><u>Wednesday - Literacy 2: Responding to the text/ Using suffixes in writing.</u></b></p> <p>Starter - Speaking and Listening focus Speaking and presenting - Share my thoughts and ideas through speaking to groups of people I am familiar with / listen to other children. Share the front cover of the book. Share their predictions based on front cover with their talk partner. See lesson 2 from the teaching unit. Read opening pages of the story.</p> <p>SPaG - Nouns and verbs.</p> <p>What makes a sentence? What does a sentence need?</p> <p>What is a noun?</p> <p>What is a verb?</p> <p>Model how to use the suffix -ing to create a thank you note. Children to write 1-3 dictated sentences. SEND activity - children to verbally make up a simple thank you note to the pebble. Adult to scribe, with children using a sound mat to identify the sounds.</p> <p><b><u>Thursday - Literacy 3: Writing to describe.</u></b></p> <p>Starter - Speaking and Listening focus Speaking and presenting - Share my thoughts and ideas through speaking to groups of people I am familiar with / listen to other children. Share the front cover of the book. Share their predictions based on front cover with their talk partner. See lesson 3 from the teaching unit. Read until 'Then she put pebble to bed and kissed it good night'. Children to write 3 dictated sentences about pebble's home e.g. It is big and bright. Share your pebble's home and description with the rest of the class. SEND activity - Children practice letter formation writing a simple label for their shoebox home/shelter, e.g. his bed.</p> <p><b><u>Friday - Literacy 4 - Make inferences and predictions/Asking questions</u></b></p> <p>Starter - Speaking and Listening focus - Creativity - Act out or model ideas. Look at the image of the little boy feeling sad in the story. Children mirror the way he is standing, drawing attention to details like his eyes and his head being down. Children work with talk partner to act out different emotions</p> | <p>Nouns and verbs.</p> <p>What makes a sentence?</p> <p>What does a sentence need?</p> <p>What is a noun?</p> <p>What is a verb?</p> | <p><b>Audience:</b><br/>Another reader</p> <p><b>Outcome:</b><br/>Understand the main features when writing to describe.</p> <p>To learn our class story.</p> |

|                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                                                                                                                                             | <p>dictated by the teacher.</p> <p>See lesson 4 from the teaching unit. Copy how the boy is feeling using body language. Talk - How is he feeling? <i>He looks sad. His head is down. His arms are folded. He looks cold.</i> Why do you think these people have left their homes to live in the 'world of tents'? What questions might Lubna ask this little boy when she first meets him? Children to ask questions for the little boy. Adult to act in role.</p> <p>Activity - children to write simple dictated sentences about the boy.</p> <p>SEND - Children to draw the boy and label the picture e.g. sad, cold.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |                                                                                                                                                                                                            |                                                                                                                                                                         |
| <p><b>Week 6</b></p> <p>05.10.26-<br/>09.10.26</p> <p>Literacy<br/>Tree Week 2</p> <p>Harvest<br/>Festival<br/>Wednesday<br/>7<sup>th</sup></p> <p>World<br/>Mental<br/>Health Day<br/>Friday 9<sup>th</sup><br/>(Whole day)</p> | <p>Session 1 - Vocabulary - Compare words and choose a best fit</p> <p>Session 2 - Speaking and presenting - Share my thoughts and ideas through speaking to groups of people I am familiar with / listen to other children</p> <p>Session 3 - Listening and understanding - Listen to other children</p> <p>Session 4 - Listening and understanding Speak with clarity</p> | <p><b><u>Fiction week 2 - Lubna and Pebble</u></b></p> <p><b><u>Tuesday</u></b> - Literacy 1: <b>Joining clauses with conjunction 'but'.</b><br/> Starter - Vocabulary - Compare words and choose a best fit - Unpick the use of the word 'beaming' to describe Daddy and discuss the strength of this compared to 'smiling' Discuss the impact of choosing your words carefully in your speaking and writing. What word could we use instead of: Big? Little? Sad?<br/> See lesson 5 from the teaching unit.<br/> SPAG - Nouns and verbs recap. What makes a sentence? What does a sentence need? What is an adjective? How can adding an adjective change a sentence? Does the sentence still make sense? Verbally create sentences that include adjectives.<br/> Explain that we can extend our sentences by using "conjunctions" such as 'and / but'. Give an example of how our writing sounds better when we join sentences rather than lots of short sentences. Model joining prepared sentence strips using 'but'.<br/> Children to create and record 1-3 dictated sentences using 'but'. Focus on the sentence making sense even when the conjunction is added.<br/> SEND: Children look at pictures from the text and describe how characters are feeling at different times. Children identify sounds for adult to write simple sentences, e.g. Lubna is happy.</p> <p><b><u>Wednesday</u></b> - Literacy 2: <b>Verbs</b><br/> Starter - Speaking and Listening focus: Speaking and presenting - Share my thoughts and ideas through speaking to groups of people I am familiar with / listen to other children - Read up to "by the morning, Lubna knew". Children use talk partners to discuss what might happen next.<br/> See lesson 6 from the teaching unit.<br/> Write sentences starting with verbs in the present tense within a letter.<br/> SEND: Children pair printed verbs and sentence endings together.</p> <p><b><u>Thursday</u></b> - Literacy 3: <b>Simple sentences</b><br/> Starter - Social interaction -listen to other children. Discuss as a group - what did you like about the story? Were there any parts you didn't like? Were your predictions correct?<br/> See lesson 7 from the teaching unit.<br/> Write simple sentences to match images from the story.<br/> SEND: Children use illustrations to retell the story so far.</p> <p><b><u>Friday</u></b>- Literacy 4: <b>Leaflet: Instructions</b><br/> Starter - Listening and understanding - Listen to other children / Speak with clarity - Give verbal instructions to a partner for looking after pebble which are clear and concise. Talking partner to ask questions. See lesson 8/9 from the teaching unit.<br/> Write a 1-3 simple instructions on how to look after your Pebble.<br/> SEND: Work with adult to write a simple instruction, e.g. look after pebble. Children to identify sounds.</p> | <p>Nouns and verbs recap.</p> <p>What makes a sentence?<br/>What does a sentence need?</p> <p>What is an adjective? How can adding an adjective change a sentence? Does the sentence still make sense?</p> | <p><b>Audience:</b><br/>Another reader</p> <p><b>Outcome:</b><br/>Understand the main features when writing to describe.</p> <p>To plan our own version narratives.</p> |

|                                                                                                                                                                                                          |                                                                                                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                                                                                       |                                                                                                                                                                                                        |

| <p><b>Week 7</b></p> <p>12.10.26-<br/>16.10.26</p> <p>Literacy<br/>Tree Week 3</p> <p>Assessment<br/>week -<br/>including<br/>writing<br/>assessments.</p> <p>Parents Day<br/>Friday 16<sup>th</sup></p> | <p><b>Literacy Starter S&amp;L<br/>focus</b></p> <p>- Speaking and Listening<br/>focus: Social interaction -<br/>Explain why teams are<br/>sometimes better than<br/>working by myself.</p> <p>Speaking and Listening<br/>focus: Vocabulary - Use<br/>words from one experience<br/>to link to other<br/>experiences</p> | <p><b><u>Fiction week 3 - Lubna and Pebble</u></b></p> <p><b>Thursday - Literacy 1: Plan a story</b><br/> Starter - Speaking and Listening focus: Social interaction - Explain why teams are sometimes better than working by myself. Work in groups of four to sequence sentence strips from the story. Discuss, why was it helpful working as part of a group? See lesson 12 from the teaching unit. Explain that we are going to be re-telling the story of Lubna and Pebble but they will make their own versions with themselves as the main character.<br/> Plan a group story map. Use pictures and words to create a plan with each group. Simple sentence focus. Story plan to have a simple beginning, middle and end. E.g. <i>Holly found a shiny pebble on the beach and named him Rocky. She drew a happy face on Rocky and kept him warm in a box. Holly loved playing with Rocky every day.</i><br/> <i>One day, a new boy called Amir came to school. He felt lonely so Holly shared Rocky with him. They played together.</i><br/> <i>Soon Holly had to move to a new home. Amir felt sad because he would miss them. Holly gave Rocky to Amir. He smiled because he had a friend.</i><br/> SEND: Children to be given four images from the text. Children write a simple caption for the first illustration.</p> <p><b>Literacy 2: Independent write (Assessment books)</b><br/> Starter - Speaking and Listening focus: Vocabulary - Use words from one experience to link to other experiences. Look at the teacher model narrative. Children to work together to improve the vocabulary. Use STC linking to topic lessons to support. See lesson 13 from the teaching unit. Use the group plan to write 1-3 simple sentences. Children to write their own stories based on Lubna and Pebble - e.g. <i>Holly found a shiny pebble on the beach and named him Rocky. She drew a happy face on Rocky and kept him warm in a box. Holly loved playing with Rocky every day.</i><br/> SEND: Children write a second caption for an illustration from the text.</p> <p><b>Literacy 3: Independent write (Assessment books)</b><br/> Starter - Speaking and Listening focus: Vocabulary - Use words from one experience to link to other experiences. Children to orally rehearse and write the next sections of their versions of the story. Children to use their plans to support them with this. See lesson 14 from the teaching unit.<br/> Use the group plan to write 1-3 simple sentences. Children to write their own stories based on Lubna and Pebble e.g. <i>One day, a new boy called Amir came to school. He felt lonely so Holly shared Rocky with him. They played together.</i><br/> SEND: Children write a third caption for an illustration from the text.</p> <p><b>Literacy 4: Independent write (Assessment books)</b><br/> Starter - Speaking and Listening focus: Vocabulary - Use words from one experience to link to other experiences. Model writing the end of the story using the illustrations and storyboard plan to support sequencing. Refer to the plan to find the verbs helpful for this section. Children to consider which verbs would be suitable. See lesson 15 from the teaching unit.<br/> Use the group plan to write 1-3 simple sentences. Children to write their own stories based on Lubna and Pebble e.g. <i>Soon Holly had to move to a new home. Amir felt sad because he would miss them. Holly gave Rocky to Amir. He smiled because he had a friend.</i><br/> SEND: Children write a final caption for an illustration from the text.</p> | <p>Nouns, verbs and adjectives.</p> <p>Application of skills in writing. Can the children form a basic sentence that includes a capital letter, full stop, noun, adjective and verb? Writing 1-3 simple dictated or independent sentences for LA. Rest of the class - Writing sentences, using basic punctuation.</p> | <p><b>Audience:</b><br/>Another reader</p> <p><b>Outcome:</b><br/>To apply my knowledge of the features narrative writing and the SPaG that I have been taught to invent my own version narrative.</p> |
