16 September 2026

Dear Nursery and Reception Parents and Carers,

A very warm welcome to our school!

We are delighted to welcome you and your child to our school community. We hope that your child is feeling excited about beginning their new adventure with us. Starting school or nursery is such a special milestone and we are looking forward to getting to know each and every child and helping them to feel happy, safe, confident and ready to learn.

We have carefully planned inviting, exciting spaces filled with opportunities to explore, create, investigate, imagine and learn through play.

As part of our home corner, we would love to include something special from home.

If you are happy to do so, please send in a family photograph or a photograph of your child in their home environment. These photographs will be displayed in our home corner for the children to see.

Having photographs of the people and places that are important to them can provide children with a wonderful sense of belonging, security and connection between home and school.

The photographs will also provide lots of opportunities for children to talk about themselves, their families, their experiences and the things that are important to them. These conversations help children to develop their language and communication skills, build confidence when speaking with adults and friends and learn more about one another. They also help us to learn about each child's individual experiences, interests and family life.

There are a few ways you can share a photograph with us:

- You can send in a printed photograph, which we can photocopy and return to you if you would like to keep the original.
- Alternatively, you can upload a photo to tapestry and we will print it for your child to use in our home corner.
- If you are sending in a printed photograph, please write your child's name on the back of the photo so that we know who it belongs to.

We would be grateful for photographs to be shared with us as soon as possible so that we can begin creating our welcoming home corner together.

We are excited to begin this journey with you and your children. We look forward to a year filled with wonderful adventures, exciting discoveries, friendships, laughter and learning.

Thank you for helping us to create a warm and welcoming environment where every child feels that they truly belong.

Yours sincerely

Chelsie Hall
