Turn Bridgwater Pink

We are delighted to be taking part in **Turn Bridgwater Pink** for Cancer Research UK on Friday 23rd October.

Most of us have probably been touched by cancer in some way. The current rates show 1 in 4 people are affected by cancer. Cancer Research UK's aim is to reduce this and to make diagnosis earlier and treatments kinder. This is all funded by the general public and businesses. For every £1 donated, over 80p is used to beat cancer. The rest is used to raise funds for the future.

We are asking children to wear something pink alongside non-uniform to raise money for Cancer Research UK. We will be collecting your money donations and presenting them to Bridgwater Friends of Cancer Research UK.

We will also be holding a colouring competition with prizes for the best coloured picture from Reception, Year one and Year two. The prizes will be awarded by Bridgwater Friends of Cancer Research during our rainbow assembly on Friday 23rd October.

We are very excited to be able to join this wonderful community event and hope to raise as much money as possible.

**Together we are
beating cancer**
