2023 results above National standards

2024 Disappointingly lower than last year-81%, and slightly lower than last year's national standard. Still, very good progress from starting points, and a good improvement from pre-covid standards. School will continue to work with the support of the English Hub next year.

All staff have received training on our new Phonics scheme – Little Wandle. This scheme is a systematic synthetic phonics scheme which links directly to the reading scheme to ensure maximum impact. The new scheme was introduced to the pupils in September 2023. Parent's workshops are planned to introduce and share the new scheme. Resource packs have been made ready to go home, as learning will be more rapid with regular home support.
