2023 results above National standards

2024 good results, slightly below national standards

2025 2.3% increase on 2024.

All staff have received training on our new Phonics scheme – Little Wandle. This scheme is a systematic synthetic phonics scheme which links directly to the reading scheme to ensure maximum impact. The new scheme was introduced to the pupils in September 2023.

Parent’s workshops are planned annually to introduce and share the scheme. Resource packs have been made ready to go home, as learning will be more rapid with regular home support.
