**Headteacher: Mrs. M. Weatherburn**

19 September 2025

Dear Parents/Carers,

**Tapestry**

You will receive a second letter today regarding Tapestry.  
You should also receive a third letter from Mrs Hall, in regards to resources for play.

**Open morning**

We are having an open afternoon next week on Tuesday 23<sup>rd</sup> September. This is for prospective parents to visit our school ready to help them make decisions about applying for school places for any Nursery children who will start school in September 2026. We still have some availability. Please book with the main school Reception office if you would like to attend.

**Data Collection Sheets**

We will shortly be sending the data collection sheets home with the children. Please check these carefully before signing and returning them to school. As we mentioned in last week's letter, we have changed our management information system, and we have spotted a few glitches so it is very important that you check your child's form to make sure the correct information has been migrated. Please sign and return your child's form even if you have not made any amendments. Thank you.

**Clothing**

The teachers have asked me to remind you to name all of your children's clothing please.

**Finally, but very importantly – Online Safety**

Please see posters sent with this email. We use these to support the children's learning in school, you may find them helpful. If you have concerns about the content your child is accessing online, or the amount of time they are spending on devices, there are resources available on our website and signposts to further support. Please speak to your child's teacher who may be able to help.

As always, please let us know if you have any questions or need any further support. Thank you.

Yours sincerely

Mary Weatherburn  
Headteacher
