21<sup>st</sup> November 2025

Dear Parents/Carers,

### **Online Safety workshop**

Thank you for your positive feedback following the Online Safety workshop this week. Please continue to let us know if there are any other curriculum or well-being areas you would like us to run sessions on.

### **Nativity**

Your children will be bringing home a paper letter today with the details of the Nativity performances and the booking slip for tickets.

We will give you details of the other Christmas events we are planning in next Friday's letter.

### **Crossing patrol**

Just to let you know that Mr Close will be re-joining us for the next couple of weeks as our "lollipop man". Many of you will be very familiar with Mr Close as he has kept us safe for many years prior to his retirement. We hope to have a fit and healthy Mr Weatherburn back with us soon.

### **Coming up soon!**

#### **Christmas crafting afternoon on Friday 5<sup>th</sup> December, parents invited from 1.15pm.**

Parents/carers are invited to join us on Friday 5<sup>th</sup> December from 1.15pm for a crafting afternoon, helping the children to make Christmas decorations for their classrooms. Don't worry if you don't have any artistic skills – you just need enthusiasm! We do have some crafting supplies already, but we would gratefully accept any donations of crafting materials you can provide, e.g. card, sequins, pipe cleaners, wool, felt, paper plates or any embellishments.

Unfortunately, we will only be able to accommodate one parent/carer per child, and on this occasion, we won't be able to invite pre-school children to join in, due to the scissors, glitter and glue that goes everywhere! This has been a slightly chaotic but very fun start to the Christmas activities in school; the children really love it, so we are really hoping you can join us. Where parents are working or unable to attend, we are always happy to see a grandparent, aunty etc instead.

The children will bring home a booking slip next week, please complete and return this to school as soon as possible so that we are able to prepare in advance for numbers. If you would like to donate any craft items please send them into school in advance of the day. Thank you. Please note that mobile phones will need to be handed in to the school office for the duration of your visit.

As always, please let us know if you have any questions or need any further support. Thank you.

Yours sincerely

Mary Weatherburn
