Dear Parents/Carers,

Over the past few years, we have been taking part in the School Christmas Card Project, which has allowed you to purchase various items illustrated with your child's Christmas themed art work. As this has proved to be very popular, we will be continuing to engage with the project this year.

Once the art work has been sent to the company, order forms will be generated and sent home to you. This year, however, rather than orders and payment being sent in via the school, you will please need to order directly from the company's website.

Thank you in anticipation of your support.

Yours sincerely,

Mary Weatherburn
