Dear Parents/Carers

Reminder – Monday 4<sup>th</sup> March is Parents' Day. Hopefully you have already signed up for an appointment with your class teacher. Your child does not need to attend school for the full day but just for the appointment with you at your chosen time slot. The children will then have chance to show you their books and other work, and to show you their displays around the school. Mrs White and Mrs Newcombe will both be available during the day if you would like any support from them.

Just a reminder that World Book Day is on Thursday 7<sup>th</sup> March and the theme is wild animals. Each class is invited to dress up in the colours of their given animal. Please do not buy anything special just for the day. We will have a crafting session in the afternoon, to which you are invited. Children will be making masks and costume accessories and this session will run from 1.30pm to 2.30pm. Throughout the school day, we will be holding a book swap in the hall and children will be able to choose a 'new' book to take home. After the crafting session, you will be able to take your children straight home. Children will be bringing home their World Book Day voucher at the end of school today.

Unfortunately, due to staff sickness, we are going to have to cancel the parents' workshop scheduled for Wednesday 13<sup>th</sup> March. We will reschedule it for the Summer term and will let you know the new date in due course.

Next week is a very busy week; not only do we have parents' day and World Book Day but on Friday we will also be celebrating International Women's Day by looking at influential women from the past and the present.

As always, please ask if you have any questions or need any support.

Thank you.

Yours sincerely
