8th March 2024

Dear Parents/Carers,

Thank you to everyone who attended Parent's Day on Monday this week. For those who were unable to attend, the class teachers will be contacting you for phone call appointments instead.

It was lovely to see the children dressed up for World Book Day yesterday, and also to see so many parents joining us for our crafting session. Don't worry if you weren't able to attend, as there will be lots more opportunities in the future!

Book swap was a real success too! The children all had the opportunity to choose a 'new' book to take home and read with you. They were very excited!

Next week is Red Nose day, on Friday 15th March. We appreciate that this day is very close to World Book day (another dressing up opportunity) so have tried to make sure both events do not cause you extra expense on buying costumes. This year, the children are invited to come to school and nursery in non-uniform, for example they might like to wear fancy dress, or something red, but any clothes at all will be the right choice! We would suggest a donation of £1.00 per child for the charity, but all donations will be welcome. Thank you.

There is a NHS dental survey here in school next week, which has selected a random sample of pupils to take part. If your child had a letter, please return your consent form on Monday. Do not worry if you did not receive a letter, the sample invites just a few pupils from two year groups.

Today is International Women's day and we have been talking with the children about the special women in their lives. Happy Mother's Day for Sunday.

As always, please ask if you have any questions or need any support.

Yours sincerely

Mary Weatherburn
Headteacher
