Dear Parents/Carers,

Parking outside the School

It is very worrying that parents/carers are continuing to park on the zig-zag lines outside school when dropping off/collecting their children. The Highway Code states that drivers MUST NOT stop or park on a crossing or in the area covered by the zig-zag lines. You will probably be aware that we have written to parents/carers about this issue in the past, and I am writing again to remind you that such parking is illegal and extremely dangerous for both children and adults alike.

I appreciate that trying to find a parking space outside school at drop-off and pick-up times can be very difficult and I understand your frustration. However, could I please ask for your patience and understanding if our staff ask you not to park on the zig-zag lines – they are only doing their job. Thank you.

If you would like to report illegal parking, please see Somerset Council's website for guidance - <https://www.somerset.gov.uk/roads-travel-and-parking/on-street-parking-restrictions/>

Thank you.

Yours sincerely

Mary Weatherburn
