**Headteacher: Mrs. M. Weatherburn**

Dear Parents/Carers,

We have some plans for developing the outdoor play area next to **'The Very Hungry Caterpillar'** and **'Snow Bears'** classrooms. We would like to continue to use materials which can be recycled such as the wooden pallets that have already been used to create areas for storing and creating construction and water play equipment zones. We would also like to use some cable drums for tables and wooden boards for painting with blackboard paint. If anyone knows someone or a place where we can source some more **wooden pallets, cable drums** or spare **wooden boards/planks, decking board** and **old tyres** locally then please can you let me know.

Some of the ideas that we would like to develop are on the attached plans.

We would be grateful for any help with this project. Thank you for your support.

Yours sincerely

Mrs Sally Williams

Reception Class Teacher (The Very Hungry Caterpillar Class)

Reception outdoor play area ideas.

Pallett shop role-play

Blackboard attached to pallett

Music wall

DIY  
Mud Kitchen Den

Pallet pirate ship

Fairy garden area

Weighing balance scales
