Dear Parents/Carers,

As we reach the end of another busy and rewarding half term, we want to take a moment to celebrate everything the children have achieved. From engaging classroom activities and imaginative projects to thoughtful discussions and collaborative learning, it has been a half term full of energy, enthusiasm and meaningful progress. The children have shown great curiosity and resilience.

We are incredibly proud of how hard the children have worked and the positive attitudes they bring to school each day. A big thank you to all of you for your continued support—it makes such a difference and helps create the strong sense of community we value so much.

**Thank you so much to every single one of the sponsors for our fund-raising event this week.
You are amazing! Between you all, you have raised...**

Thank you!**

Year 2 Transition Workshops

On Tuesday this week, Year 2 took part in a fantastic and engaging session led by the Mental Health Support Team, focusing on the important topic of transition. The children explored their thoughts and feelings about moving on to the next stage of their school journey and participated in thoughtful discussions and activities designed to support their emotional wellbeing during this time of change. They also brought home a special booklet titled 'My Little Book of Wellbeing', which contains helpful strategies and reflections to support them as they prepare for their next steps.
