7 February 2025

Dear Parents/Carers

It was lovely to see the children (and staff!) dressed up for Dress to Express Day on Monday. Please log on to Google Classroom to see the activities your children have been enjoying this week.

Illnesses - we just wanted to mention that there have been a few cases of chickenpox across the school. As we are sure you are aware, the main symptom is an itchy, spotty rash anywhere on the body. If your child does come down with chickenpox, they will need to stay away from school or nursery until all the spots have formed a scab, which is usually five days after the spots appeared. We also have a few odd cases of sickness and/or diarrhoea, so we just wanted to please remind you that children need to be clear of symptoms for 48 hours before returning to school or nursery. Thank you.

World Book Day – 6th March 2025 – please see next week's Friday letter for information on how the school will be celebrating this year's World Book Day.

Local Events/Groups – we have updated our website with information on some local groups and events which may be of interest to you – please see the 'Local events/flyers' section under the 'Our Parents' tab.

Finally, please remember that the school is closed for the half term break from Monday 17th to Friday 21st February.

As always, please let us know if you have any questions or need any further support.

Yours sincerely

Mary Weatherburn
Headteacher
