Headteacher: Mrs. M. Weatherburn

Dear Parents/Carers

12.01.2024

It has been a quiet but busy first full week back in school this week. All classes started the week with an exciting wow starter day for their Talk for Writing stories. The teachers will have posted photos and information on **Google Classroom** for you to see what learning has looked like for your child this week. If you have not yet logged in and need support to access this resource, please let us know.

Headlice

Please can everyone check for headlice this weekend. Information is available on the website regarding the recommended treatment using the Wet Combing method.

Year 2 transfer applications for Year 3

We have contacted all parents who have not yet applied for a Year 3 place. Although these applications are online, we can help if you need any support to complete these. Please let us know.

PE kit

Please can all PE kits be returned to school by Monday 15th January. All classes have PE regularly and the children love the lessons, it is disappointing for them when they have to miss out.

Displays

The classes are all finishing new displays in the corridor today from our "Words, words, words" theme last week. The children enjoyed the week and would love for you to see what they have done. You are welcome to come into school at the end of the day, on Monday, Tuesday or Wednesday next week, to have a stroll down the corridor to look at their work.

Outgrown uniform

We will have an outgrown uniform sale in the Hall on Wednesday 17th from 8.20 when the gate opens. Each item is £1.00, proceeds go into our Pastoral fund to support families in need. If anyone has any items they would like to donate please drop them off with your child's class teacher or with Mrs Cowen in the main school office.

Thank you

As always, if you have any questions or need any help, please let us know.

Thank you.

Yours sincerely

Mary Weatherburn
