Dear Parents and Carers

This week some more classes participated in a workshop from Somerset Heritage. Very Hungry Caterpillars and Percy the Park Keepers had a workshop called 'Dinosaurs and Fossils', and Five Little Ducks and Humpty Dumpty had a workshop called 'Teeth and Bones'. The children really enjoy these interactive sessions and learn many unusual and interesting facts.

As you know, it was St George's Day on Tuesday. In the afternoon, we learned all about St George and the Dragon and each class made flags or shields to show in a special St George's Day assembly.

This week, each class has been learning about online safety and teachers have shared this learning, along with some useful tips and links, on Google Classroom. This is such a crucial part of keeping our children safe in the modern world, so we hope that you will find this information useful. Please remember, if you have any online safety concerns about your child you are welcome to speak with their class teacher who will be able to signpost you to the appropriate support.

The toy and book sale in the hall was a great success - it was lovely to see so many of you. We will let you know next week how much money we raised in total. We do still have enough stock left over to run another sale, which will be on Monday directly after school. However, if you prefer to do so, you can send your child in with 50p/£1 on Monday morning and a member of staff will take them to the hall to pick something of their choice.

As always, please ask if you have any questions or need any support.

Yours sincerely

Mary Weatherburn
