10 May 2024

Dear Parents and Carers

On Wednesday 15<sup>th</sup> and Wednesday 22<sup>nd</sup> May, we will be having a 'Wake and Shake' session at 8:30am on the main playground for the school classes, to get the children moving and energised in a fun and lively way, prior to starting their learning. The children have already learned the routine to the song but may like to practise it at home. It would be lovely to see as many of you as possible joining in! If you are dropping your child off to nursery on those mornings, you are welcome to bring them to the main playground first to join in before taking them to their nursery class. The YouTube link is below so you can brush up on your skills before the day : <https://www.youtube.com/watch?v=1gUbdNbu6ak>

Wednesday 15<sup>th</sup> May is also International Day of Families. The 2024 International Day of Families aims to raise awareness of how climate change impacts families and the role families can play in climate action. We will be celebrating this day by inviting you, the children's families, to our Wake and Shake and we will also be discussing this special day with the children in our assembly on that day.

On Friday 17<sup>th</sup> May, Tulip Photography will once again be in school for the morning. This time they will be taking class photographs of the school and nursery children. Only children whose parents have previously given us permission to be in class photographs will be included. Further details on how you can view and purchase these photos will be available shortly.

As the weather is improving, please can we remind you that you may need to think about sending your child to school and nursery with a sun hat, and applying sun cream at home before bringing them in.

As always, please ask if you have any questions or need any support.

Yours sincerely

Mary Weatherburn  
Headteacher
