17 May 2024

Dear Parents and Carers,

On Wednesday 22<sup>nd</sup> May, we will be having our second 'Wake and Shake' session at 8:30am on the main playground for the school classes. This week's session helped to get the children moving and energised in a fun and lively way, prior to starting their learning. As we said last week, if you are dropping your child off to nursery on those mornings, you are welcome to bring them to the main playground first to join in before taking them to their nursery class.

The YouTube link is below so you can brush up on your skills before the day:

<https://www.youtube.com/watch?v=1gUbdNbu6ak>

Tulip Photography came into school for the morning to take class photographs of the school and nursery children. They have also taken a Year 2 leavers photograph, which includes all three Year 2 classes. The children will bring home details of how you can view and purchase these photos on Tuesday.

Next week is 'Walk to School Week'; this is a 5-day challenge that encourages families to 'ditch the car and walk, ride or scoot to school'. This is to help children reach their exercise goals and to reduce carbon emissions from vehicles.

As the weather looks set to be sunny for the most part next week, please continue sending your child to school and nursery with a sun hat, and apply sun cream at home before bringing them in.

Please remember that Thursday, 23<sup>rd</sup> May is the last day of term for children as Friday 24<sup>th</sup> is an INSET day. We will welcome you back to school and nursery on Monday, 3<sup>rd</sup> June.

As always, please ask if you have any questions or need any support.

Yours sincerely

Mary Weatherburn  
Headteacher
