7<sup>th</sup> June 2024

Dear Parents and Carers,

The children have enjoyed their first week back after half term. This has been a theme week involving garden wildlife and endangered species. Look out for photos on Google Classroom and the school website.

Online games can be a great way for children to entertain themselves and stay in touch with their friends. However, it is important that the games and content the children are accessing are age appropriate and suitable. We do a lot of online safety in school as part of our curriculum but here are a few tips that you could consider at home:

- Age ratings of the games they play
- Messaging and content functions of the games
- In-game purchases
- Trolling, griefing and scams
- How to report problems
- Where they can get further support.

There is further information on the following websites if you would like more details:

<https://www.nspcc.org.uk/keeping-children-safe/online-safety/online-games/>  
<https://www.ceopeducation.co.uk/>

It is the Year 2 trips to the Rural Life Museum in Glastonbury on Thursday and Friday of next week. A separate letter will be sent home with the Year 2 children today.

Finally, if you would like to order class and/or leavers' photos, please be aware that the discount deadline is Sunday 9<sup>th</sup> June.

As always, please ask if you have any questions or need any support.

Yours sincerely

Mary Weatherburn  
Headteacher
