14th June 2024

Dear Parents and Carers,

As some of you are aware we have had an increase of Norovirus cases with the children in school this week and some members of staff. We have taken considerable extra safety measures and hopefully, with these extra measures and the weekend break, we will have broken the cycle. We are doing everything possible to keep all classes open but please accept our sincere apologies if we need to close a class at short notice; we would inform you by text message in the first instance, with a follow up email.

The Year 2 children from Paddington Class and Stardust Class enjoyed their visit to the Rural Life Museum in Glastonbury on Thursday. They participated in workshops entitled 'Somerset Celebrations', which entailed Maypole Dancing and a Wassail type activity. They also did a tour of the museum. As always the children made us proud and we had lots of compliments about their good behavior and manners. Thank you to the parent helpers who accompanied us. Night Pirates' trip has been rearranged for Thursday, 18th July.

We will have our termly pre-owned uniform sale at 8:20am on Wednesday 19th June, with all items priced at £1.00 each. If you have any donations, please remember that you can drop them into the office at any time.

We have received information regarding a few holiday schemes that will be running in our local area over the summer and we have put the posters on the school website for you to have a look at. You will find them in the local events/flyers section under the tab labelled 'parents'.

Next Thursday is Summer Solstice Day and the children will be learning about this during that afternoon.

As always, please ask if you have any questions or need any support.

Yours sincerely

Mary Weatherburn
Headteacher
