22 November 2024

Dear Parents/Carers,

We are very pleased to be able to report that our **heating** was fixed on Wednesday and the school is much warmer now. Once we were all cosy and warm, we were quite excited for the snow on Thursday. What a disappointment!

We are working very hard to get all of your contact details onto the new **texting** service. This is a long process as every phone number has to be checked individually. Please update the office if you have changed any of your contact details recently.

Our Nativity practices are going well; please remember to return your booking slips if you would like tickets.

Just to let you know, you raised £180.00 for Children in Need. Thank you for your support. Our next fundraising effort is going to support the Bridgwater Foodbank for Christmas, which we are combining with our decoration day – see below.

**Christmas Decoration Day – Parents invited – Friday 6<sup>th</sup> December 1.15-2.45pm**

On Friday 6<sup>th</sup> December we will be having our Christmas decoration day in school, and would like to invite parents to come in and help for the afternoon. Some of you may remember doing this over the last two years and it has been tremendous fun! Please complete the booking slip that your child is bringing home today and return to your child's class teacher next week so we know how many parents to expect.

**Bridgwater Foodbank.** We are all aware of and are all experiencing the increased cost of living. For some families this is having a significant impact and as a result there has been an increased number of people accessing local Foodbanks. This is happening in Bridgwater and across the country. Foodbanks provide amazing and essential support to families and so we would like to support our local Foodbank. Therefore, on Friday 6<sup>th</sup> December, our decoration day, we invite you all, parents and children, to **wear something festive** (any non-uniform will be fine) and we are asking children to bring in a donation for the Foodbank. The charity is in need of the following items, but will happily accept any items in date.

- toilet rolls
- teabags
- tinned foods
- dried foods like pasta
- toiletries
- long-life milk

We look forward to seeing the children in their Christmas clothes and supporting a charity that we all may need to call on at some point.

As always, please let us know if you have any questions or need any further support.

Yours sincerely

Mary Weatherburn
