

South West Schoolwear

We're an independent, family run business providing quality school uniform to over 175 schools across Somerset and Dorset.

Established in 2003 we trade from our spacious, user friendly stores in Wells, Yeovil and Taunton. We will be opening our Bridgwater store in January 2023.

We specialise in embroidered uniform but also stock a wide range of plain garments, including trousers, skirts, blouses, shirts, polo shirts, PE shorts, socks and plimsolls.

With onsite embroidery and printing, we ensure uniform is stocked throughout the year with quick lead times. We source our garments from other UK run businesses to promote sustainability, recycled products and are able to supply specialist sizes to order.
