

## 'Reading for Pleasure' Themed Week

The children have really enjoyed sharing a variety of stories. We introduced the themed week with our own class story 'The Very Hungry Caterpillar' by the author Eric Carle. The children took part in some creative activities to help create their own part of our class caterpillar which is displayed outside the classroom. We have shared further stories by the author Eric Carle which have included 'The Very Busy Spider', 'Slowly, Slowly, Slowly' Said the Sloth, 'Ten Little Rubber Ducks' and 'Mister Seahorse'. The children have talked about their favourite stories and made caterpillar themed book marks. It was fun making finger puppets to support retelling stories and drawing pictures for book covers.
