6th March 2026

Dear Parents/Carers

Thank you so much for supporting our **World Book Day dressing-up theme** this year. It was wonderful to see the children arrive dressed as their crayon colours. Your time and effort helped make the day extra special for the children, and the whole day was full of happiness, with books being brought to life in our classroom, creating a real buzz around books and storytelling.

Reading plays a vital role in a Nursery and Infants school. At this early stage, children are developing the foundations for lifelong learning. Through reading, they build important skills such as vocabulary, comprehension, imagination and confidence. It also supports their speaking and listening skills, helps them understand the world around them and encourages curiosity and creativity.

Events like World Book Day help children see that reading is not only important but also fun and exciting. When children see adults and friends celebrating books, it helps nurture a positive attitude towards reading that we hope will stay with them throughout their education and beyond.

Your continued support at home—whether through reading together, sharing stories or talking about books—makes a huge difference to your child's progress and enjoyment of reading.

Thank you again for helping make World Book Day such a fun and memorable experience for the children.

Dates for your diary

Parents day – Monday 16th March. School will be closed for individual appointments. Signing up sheets are now available with your class teachers.

Red nose day - Friday 20th March. Theme to be confirmed.

As always, please let us know if you have any questions or need any further support.

Yours sincerely

Mary Weatherburn
