20th March 2026

Dear Parents/Carers

We would like to apologise for the disruption this morning. We had arranged for essential work to be carried out on one of the trees in the nursery garden before the children arrived. The contractors were scheduled to leave the site prior to drop-off; however, their truck unfortunately broke down, preventing them from moving off the school grounds as planned. We sincerely apologise for any inconvenience this may have caused. Please be assured that this situation was entirely beyond our control.

Thank you to everyone who attending their Parents consultation on Monday. We received some great feedback focused on children's learning, and on the events we are organising to make the children's school journey engaging and enjoyable for them. Many of you said that you are pleased that we invite parents into events when we can, but this is often tricky for working parents. As a working parent myself, this is an issue I know well, and many of my infants Heads colleagues find the same due to the young age of our pupils. I will continue to try to give you as much notice as I can and try to reassure you that all children are supported and well-looked after during events. The parents/carers who are able to attend are always very generous with their attention and support, helping not just their own child, but scooping up little groups of friends and supporting them all. The children do enjoy these events and we hope to continue them, and encourage a few more volunteers along the way.

Easter events 1st and 2nd April

We are excited to share details of our Nursery Easter celebrations, which will take place on Wednesday 1st April and Thursday 2nd April.

Across both days, the children will take part in a range of Easter-themed activities within their nursery sessions, including an Easter egg hunt and seasonal crafts.

Easter Disco – Wednesday 1st April

The school children will be attending an Easter disco after school. Nursery children will also enjoy their own Easter disco, which will take place during their normal nursery session. Children are warmly invited to come to nursery dressed in party clothes on this day. Please ensure that clothing is suitable for active play and that children can move comfortably.

We are looking forward to a fun and engaging couple of days for the children.

As always, please let us know if you have any questions or need any further support.

Yours sincerely

C Beresford

Charlotte Beresford
