Fantastic Finisher

Foundation Subject Assessment

Year 2 – Summer A

Key Question – How can we care for our world while exploring beyond it?

Literacy Tree Texts – Ocean Meets Sky/Dear Earth

1) Science

National Curriculum Objective – Identify and name a variety of plants and animals in their habitats, including micro-habitats.
Key knowledge/skills - To name two different habitats and two animals and the plants that you may find there.
Activity – Draw and label a habitat with two animals and a plant that you might find there.

2) Computing

National Curriculum Objective – To use technology purposefully to create, organize, store, manipulate and retrieve digital content.
Key knowledge/skills – To use technology to present and save information on a document.
Activity: Create a poster about how to protect the environment.

3) Geography

Wider learning experience – To understand the impact that humans have on the environment.
Key knowledge/skills - To know that there are different types of pollution e.g. sea pollution and air pollution that are caused by humans.
Activity: To label pictures of polluted areas and to explain what has caused this to happen.
